MARRIAGES. by the Rev. D. Hamilton, EDWARD ROBBETS, Chi.

Hongeong, December 11th, 1891.

THE landing and reception yesterday of His Excellency Sir WILLIAM ROBINSON took place under the most favourable auspices. The weather was fine, and notwithstanding Tientain. the fact that with the bulk of the community it was a busy morning, the mail baving to be despatched, there was a large concourse spirit merchants. of residents at Pedder's Wharf to witness the disembarkation. Hongkong is not wont to go into hysterics over the arrival of any distinguished personage, and its raptures are always very much under restraint, the result being perhaps to convey to a stranger an impression of coldness and want of sym- Cricket Club stating that a team will visit this pathy. This is not really the case, as many at Colony about the end of January next. Governor has discovered; the Colony always accords a hearty if quiet welcome to the has to be closed in consequence of public works followed. The catha were administered by His to be, Sir, your obedient servant, Queen's Representative as such, and often has we observe, been commenced. A notification Honour the Chief Justice, Sir James Russell, published in our advertisement columns an and the Council members present were:—H.E. subsequently for his own sake, when the mounces the temporary closing of Hillier Street. Major-General Barker, the Acting Colonial greeting is more demonstrative. Sir Wrg. LIAM ROBINSON comes to Hongkong with obstacle to the proposed trans-Pacific cable by excellent credentials, having won a name for way of the Mainland of Alaska and Aleutian Issuccessful administration in other colonies, lands has arisen in the discovery of such an extreme depth of water north east of Japan as to which he has left better than he found them. preclude the sinking of a cable, It is sincerely to he hoped that this may prove his experience in Hongkong. He has this afternoon's meeting of the Sanitary Board:arrived at a time when the Colony is suffering severely from depression in every way; warding the Analyst's report of analyses made on oaths, as already menting severely from depression in every way; camples of water drawn from the Tytam and Polfu. by the Chief Justice. both as the result of over speculation, dull trade, and the cessition of emigration to vember and oth December, 1891. America and Australia. It is possible that East Street, on Inland Lot 234, bottom has been touched, and that matters may improve, but this is by no means cer- to merrow, Ireland v. the World. The following sent, said-Nothing more remains to be done extain, and while the cloud bangs over the will represent the world :- G. G. Boyle, R.A.; cept to thank your Excellency and you, ladics E. L. Woodin, Eeq., Superintendent, P. & O. Co island economy should be exercised. The

unpleasant feeling existing in the Legislative the pround to morrow.

Council, the relations between the official and some of the unofficial members being characterised by a personal asperity which is not altogether conducive to the satisfactory progress of the work of that body. With the exercise of tact on the part of the President perhaps a more cordial feeling may be restored, though it is but fair to say that the present state of affairs has not been brought about by any want of tact on the part of the gallant officer who has re-

[380] It had its origin in the dispute with reference to the increased military contribution, was aggravated by the ill-judged efforts of the ITALIAN AND AMERICAN MARBLE unofficials to secure a withdrawal of the increase of official salaries which had been granted immediately prior to the making of in reaching the people. They took them into that demand, and has not been lessened by several matters that have occurred since. Irritation in the Colony has been further increased by the outrageous further demand of Soul which must be accepted with a good feal the Secretary of State that the Colony shall 12492 expend an enormous sum on the totally un-

WILLIAM will doubtless have been placed in possession of the views of the Secretary of State on the Gaol question while in Loudon, and it may be hoped that when he has personally investigated the matter on the spot, compared the accommodation afforded by the present gool with that enjoyed by the Chinese labouring class in their own homes, and taken stock of the financial position of the Colony, he will be able to prove to Lord E invite attention to our first supplies of Knursyoup that the project of building a new gaol is unnecessary, wasteful, and foolish.

His Excellency will also no doubt give some attention to the late discussion in the Legislative Council on the Civil Service, and whether the Hon. T. H. WHITEHEAD renews | binson, dated the previous day and containing his motion or not, may think it well to have the subject thoroughly investigated with the dinance are to come into force con the 28th view of seeing if the increasing work of the tion of PURE CONFECTIONERY from the the number of appointments; for if it be true come into operation on the lat January next.

that in some departments there is a pressure of work it is equally true that in others there December, while pilot John Snowden in the generally worked for an hour or so just before is a redundancy of officers and that soveral important appointments are in existence which are really little better than sinecures, the Yangtsze Cape and not far from the old morning, especially when he was making out There are no important Bills pending at wreck of the Lucerne. There was a heavy gale the monthly balances. I never saw him be-present, the work of legislation having been blowing at the time with pasty, choppy sea, and cause I was not there myself at that hone. present, the work of legislation having been brought up to a point. In this matter, therefore, His Excellency will start with a clean slate and for a time will be able to devote the greater part of his attention to making drown without making an attempt to save The account sument was initialled and signed by himself acquainted with the administrative.

His Excellency might readily do the community a great service. Doubtless he wil have heard and read much of Hongkong, of was with great difficulty that the Bonita's little | the latter and declaring some to be forgorios. its wonderful progress and its intense commercial activity, and it can hardly fail strike him as remarkable that in these days, when ocean penny postage is on the eve of realisation, there should be no facilities in this on the 6th. Such a gallant act as this of Mr. go-shead Colony for sending a letter through the post from one part of the City to an-

Gentlemen, the Government will increase its stock and furniture, therefore the order in which antimate relation with the Powers, and extend the realisation is to take place must be a matter the rights of the country, and at home will try to increase the wealth, and develop the indushe tries and the componical condition of the country I hope sincerely, gentlemen, that you and we will both unite in widing to the honour of the

KOBE.

It is reported that the Nippon Yusen Kaisha will declare a dividend of from 9 to 10 per cent for the latter part of the present year. We regret to state that M. Felice, one of the ourio merchants injured in the late fire, has expired from his injuries. It will be remembered he broke his leg in jumping from the first floor, and though hopes were entertained of his recovery he never really rallied.

Typhus that dreadful malady which breeds

from decaying matter, has broken out in the P. | districts where the earthquake did most damage, succumbed. Earthquakes, fire, and postilence form together an awful vintation. In addition to Government contributions the money sent to Gife Ken from subscriptions to newspapers, &c., amounts to 61,858.30 yen. This has been distributed as follows: - to persons whose houses have been burnt 1.20, yen; to those whose homes were demolished by the shock 114 yea. Those who had houses half burnt received 1.14 ven, and those half destroy ed by the earthquake 57 sen. A person who had a relative killed received 95 sen, and those who had members of their families severely in-

jured 57 sen. We trust these amounts will help to alleviate suffering, but to us they seem ridiculously small. It would have been wiser to have selected the most destitute and bave given, them a start than to fritter away so large

YOKOHAMA.

Another batch of 1,500 emigrants will proceed by the Ydmashiro-mare to the Hawaiian Islands on the vessel's next trip. Recently, it is said, the Japanese Goverment received a request from Hawaii that the wages of the emigrants (which are now \$15 and above per month) should be reduced; but the Government refused to consent to the reduction. Subsequently the Japanese longul telegraphed to the Foreign Department that the Hawaiian Government never desired any reduction in the immigrants wages and that

mere immigrante were desired. Much surprise will be created in Yokehama by the name that the mantence of imprisonment and flow inflicted by the Tokyo Local Court on the editorial and managing staff of the Hochi, Adaums and Chiu Skimbun for libelling the Grand Hutel, Limited, and Deakin Bros. & Co., Limited, has been reversed on appeal. The cose, it; will be remembered, was carried to a higher Court and there, according to the Nichi Nichi, all the defendants expecting the editor of the Chiu Shimbun (for whom the punishment passed at the first decision was approved have been acquitted. Considerable indifference bas at all times been shown by the generality of native pipers in their scathing abuse of foreigners, and it is not difficult to guess what the result of a decision such as that just given
